March Meeting Minutes
March 11, 2008

<u>Seminar Committee</u>:

- Several locations have issues (cost, venue, etc) that, at this time, are prohibiting us from scheduling a seminar

- Exhibit - Can't have it at River Towers any longer
    - Capitol One - open to doing this - not a real public place
      Probably 1200 people each day – cafeteria at West Creek
      Total of 25-27 photos
      We will exhibit here probably beginning the 2nd week in May
    - Bank of America - not this year
    - Virginia Eye Institute - Bev will check it out

  Slide Night - Wed, March 27 - Twin Hickory Library starting at 7 pm

<u>Lightroom Presentation</u> - Steve Girimont

- cataloging software - Mediadex - Mac ($250)
                         iMatch   - pc ($50)

    The links are at:
        www.mediadex.com for MediaDex
        www.photools.com for iMatch

- Lightroom should not be used as a cataloging software

    - If using PS3 keep using it - does about the same
      If using Elements, Lightroom would be the way to go
         mainly for upgrades and cost
